TEST NUMBER	QUESTION	IMAGE	POSSIBLE ANSWERS	CORR ANSW
1	Which car has the right of way?		Car C Car B Car A	Y
	Which car gives right of way?		Car C Car B Car A	Y
	Which car should stop? (A traffic circle)		Car A Car C Car B	Y
	Which car gives right of way?		Car B Car C Car A	Y
	Which car gives right of way?		Car A	

		Car A	
Which car gives right of way?		Car A Car B Car C	Y
Which car is breaking the law assuming both are moving?		Car B Car A	Y
The sign indicates:		Car C Hospital ahead End of speed restriction Broken down vehicle ahead	Y

When approaching this sign, I should:		Disengage gears. Engage a lower gear Apply hand brake	Y
The sign indicates I am:		Permitted to make a 'U' turn Prohibited from making a 'U' turn Prohibited from turning right	Y
This sign indicates:		Width restriction Height restriction Cattle ahead	Y
At this sign I should:		Stop, and only proceed when the road is clear on both sides Stop, and only proceed when the road is clear on the right Stop, and only proceed when the road is clear on the left	Y
This sign indicates that I:		May not park my vehicle May park my vehicle	Y

This sign indicates that I:		May not park my vehicle May park my vehicle Expect 'Lay-by' ahead	Y
A heavy vehicle may tow not more than:		One trailer Three trailers Two trailers	Y
When carrying a passenger on my motorcycle, I must:		Have headlamps fitted Have the petrol tank filled Have a pillion and foot rests firmly fixed	Y
If involved in a SERIOUS accident, I must:		Report to a hospital Report to police within 48 hours	

		Have a pillion and foot rests firmly fixed	Y
If involved in a SERIOUS accident, I must:		Report to a hospital	
		Report to police within 48 hours	
		Report to police as soon as possible, or within 24 hours.	Y
When traveling behind another vehicle at night, I must:		Dip my headlamps	Y
		Switch on my sidelights	
		Drive slowly	
When should a horn be used?		To attract a friend's attention	
		When warning another road user.	Y
		When cattle are blocking the road ahead	
I may park no closer to a corner than:		9.5 meters	
		15 meters	
		7.5 meters	Y
At an intersection with a flashing amber robot, I would:		Wait until the road ahead is clear	

		7.5 meters	Y
At an intersection with a flashing amber robot, I would:		Wait until the road ahead is clear	
In which circumstances would I proceed against a red robot?		Give right of way to vehicles from the left	
		Give right of way to vehicles from the right	Y
		When the green arrow is illuminated	Y
Which is the correct robot light sequence?		When there is no approaching traffic	
		When the road is clear on the right	
		Red, Amber, Green	
A driver sees a continuous white line in the centre of the road.		Red, Green, Amber	Y
		Green, Red, Amber	
		May cross if there is no oncoming traffic	

A driver sees a continuous white line in the centre of the road, he or she		May cross if there is no oncoming traffic May not cross May cross in rural areas	Y
A broken white line beside a continuous white line in the centre of the road indicates that:		I may overtake if the continuous white line is on my side I may overtake if the broken line is on my side I must keep well left	Y
A broken yellow line on the left hand side of the road indicates:		It may not be straddled It may be straddled to overtake traffic which is turning right It may be straddled to overtake cyclists	Y
What must you do when meeting a motor vehicle displaying 'L' plates?		Hoot if the vehicle is blocking your path Exercise extreme caution	Y

SECTION 2

2	Which car goes last?		Flash my headlights Car C Car A Car B	Y
	Which car is breaking the law assuming vehicles are moving?		Car A Car C Car B	Y
	This sign indicates?		Railway station Rail-road level crossing An intersection	Y
	The driver may not park closer to the corner than:		6.5m 7m All of the above	Y
	Cyclists should ride:		As many as possible abreast Two abreast	

		7m	
		All of the above	Y
Cyclists should ride:		As many as possible abreast	
		Two abreast	
		Single file.	Y
When facing a red robot with an illuminated straight ahead Green arrow, I may:		Proceed straight ahead	Y
		Turn right should I wish	
		Not proceed	

		7m	
		All of the above	Y
Cyclists should ride:		As many as possible abreast	
		Two abreast	
		Single file.	Y
When facing a red robot with an illuminated straight ahead Green arrow, I may:		Proceed straight ahead	Y
		Turn right should I wish	
		Not proceed	

		7m	
		All of the above	Y
Cyclists should ride:		As many as possible abreast	
		Two abreast	
		Single file.	Y
When facing a red robot with an illuminated straight ahead Green arrow, I may:		Proceed straight ahead	Y
		Turn right should I wish	
		Not proceed	

This sign indicates?		Hump ahead	
		Dip or ridge ahead	Y
		Mountains ahead	
This sign means that:		Rail road level crossing ahead	
		Traffic lights and rail road crossing ahead	
		Traffic lights out of order	Y
Which car stops?		Car A	Y
		Car B	
		Car C	
Which car moves last at this intersection?		Car B	
		Car A	Y
		Car C	
Which car goes last?		Car C	Y
		Car B	Y
		Car A	
When traveling at 90km/h I must leave a gap of:		Six vehicle lengths	Y

When traveling at 90km/h I must leave a gap of:	Six vehicle lengths	Y
	Five vehicle lengths	
	Seven vehicle lengths	
When approaching a give way sign:	I am obliged to stop before proceeding	
	I am obliged to give way to traffic approaching the intersection on my right only	
	I may proceed with caution and without stopping provided there is no other	Y
I must dip my headlamps:	When approaching a railway level crossing.	
	When driving in a well lit area	Y
	When approaching an urban area	
In rural areas where traffic is not controlled, I should give precedence to:	Traffic approaching from a road on the left.	
	Traffic approaching from a road on the right.	
	Traffic already in the intersection regardless of which side it is coming from.	Y

The insignia of a warning sign is:	or which side it is coming from	Y
	A triangle	
	A circle	
	A rectangle	
When approaching a narrow bridge, I must pay attention to:	Height restriction	
	Length restriction	
	Width restriction	Y
At a robot-controlled intersection where you have stopped over the pedestrian crossing lines, what do	Decide to carry on	
	Reverse the vehicle	
	Stay where you are	Y
3 Before driving a motor vehicle on a public road, it must have the following:	Certificate of fitness and a repair card.	
	Learner's licence.	

SECTION 3

3	Before driving a motor vehicle on a public road, it must have the following:	Certificate of fitness and a repair card. Learner's licence. Registration book, insurance and a vehicle licence.	Y
	The correct sequence of a robot traffic light is:	Amber, Green, Red. Green, Amber, Red. Red, Amber, Green	Y
	When approaching a pedestrian crossing you should:	Sound the horn. Accelerate quickly over it. Slow down and prepare to stop.	Y
	For cyclists not to interfere with other road users they should ride:	Two to three abreast. Single file. Completely off the road.	Y
	A heavy vehicle towing independent trailers must have:	Safety chains fitted to the trailers. More pulling power. As many spare wheels as possible.	Y

	When approaching a slow moving combine harvester going in my direction of travel	I increase speed and overtake it I slow down and give it space to pass I slow down and keep behind until its safe to overtake	Y
	To drive a heavy vehicle, you must have reached the age of:	Nineteen years.	
		Eighteen years. Seventeen years.	Y
	Which car moves second at this intersection?	 Car A Car B Car C	Y
	Which car moves first at this intersection?	 Car A Car B Car C	Y

Which car stops?		Car A Car B Car C	Y
This sign warns of:		Cross road ahead. Rail and level crossing ahead. Stop or give way sign ahead.	Y
At this sign I should:		Stop and give way to traffic coming from my right. Slow down and proceed if there is no crossing traffic. Stop and proceed when the road is clear on both sides.	Y
This sign warns of:		A mountainous area ahead. A hump in the road ahead.	Y
		Large waves in the river ahead.	

		Large waves in the river ahead.	
This sign regulates that:		Speed limit on this road is 60 km/h Speed limit on this road is between 60 km/h and 80 km/h. Speed limit on this road is 80 km/h	Y
This sign is:		A danger warning sign A regulatory sign An informative sign	Y
This sign is:		A carriageway marking An informative sign A danger warning sign	Y
The warning sign of a broken down vehicle is:		The driver waving to the other road users. The flashing of indicators. The red reflective triangle.	Y
On meeting an abnormal load vehicle under escort:		I should slow down and exercise caution I should sound my horn and flash my lights to alert him of my presence I should do nothing	Y
When riding a motorcycle you must wear:		A pair of cycle clips. A pair of sunglasses.	

When riding a motorcycle you must wear:		A pair of cycle clips. A pair of sun glasses. A crash helmet	Y
When turning left at a robot controlled intersection I should:		Yield to pedestrians to go through Give right of way to traffic from the right Sound the horn.	Y
When an oncoming vehicle lights are on bright beam, what do you do?		Pull down the sun visor. Slow down and look slightly to the left. Switch spot lights on.	Y
Which car stops?		Car C Car A Car B	Y
Which car goes last?		Car B	Y

SECTION 4

Which car goes last?		Car B Car A Car C	Y
In rural areas, where traffic is not controlled, you should give precedence to:		Traffic from the road on the right. To all crossing traffic. Traffic already in the intersection regardless of which side it is coming from.	Y
The minimum legal age at which an applicant can learn to drive is:		Eighteen years old. Any age. Sixteen years old.	Y
4 At an uncontrolled intersection, I should give right of way to:		Oncoming traffic.	
		Traffic approaching from a road on the left. Traffic approaching from a road on the right.	Y
I may not overtake:		On a blind rise.	Y

I may not overtake:		On a blind rise. When travelling on four lane traffic. Near the post office.	Y
This sign indicates that		Cyclists may not proceed beyond this	
At this sign I should:		Both cyclists and pedestrians are prohibited beyond this sign. Pedestrians find alternative route with their bicycles	Y
A yellow line on the left hand side of the road:		Stop, and wait until the road ahead is clear on both sides. Give right of way to vehicles from the left. Give right of way to vehicles from the right.	Y
This sign means:		May not be crossed under any circumstances. May be crossed to overtake traffic which is turning to the right. May be crossed to overtake slow traffic.	Y
This sign means:		Red Cross station ahead. Cross road ahead. Railway level crossing.	Y
		Hospital ahead. No entry.	

		Speed de-restriction.	Y
This sign indicates, I may:		Expect to find a 'Lay-By' ahead. Park my vehicle. Not park my vehicle.	Y
At this sign I would:		Disengage gears. Sound my hooter. Proceed with caution and stop if necessary.	Y
I must never change direction until I have:		Flashed my headlights. Sounded my hooter. Indicated my intention and ascertained that the road is clear.	Y
I must take a habit of never setting my vehicle in motion until I have:		Checked the rear view mirror. Checked the petrol. Checked for children and animals around.	Y
Which car is not breaking the law?		Car B Car A Car C	Y
Which car stops?		Car A	Y

Which car stops?		Car A Car B None	Y
Which car has right of way?		Car B Car A The fastest	Y
Which car has no right of way?		Car A Mercedes Benz Car B	Y
When filling my tank with petrol, I should:		Engage in reverse gear. Switch off the engine. Close the choke.	Y
When travelling at 75km/h I must leave a gap of:		Four vehicle lengths. Seven vehicle lengths	

When travelling at 75km/h I must leave a gap of:		Four vehicle lengths. Seven vehicle lengths Five vehicle lengths	Y
When turning right at an intersection, I must:		Hoot. Give way to persons within the pedestrian crossing. Give way to oncoming traffic	Y
I may dip my head lamps:		When approaching a hospital. When approaching a railway level crossing. For oncoming traffic.	Y
The general driving rule in Zimbabwe's highway code is		Common sense	
		Drive on the left within your lane	Y
		Drive on the left beyond yellow line if there is congestion	
Which is not the correct robot light sequence?		Red, Green, Amber Green, Amber, Red.	

5	Which is not the correct robot light sequence?		Red, Green, Amber Green, Amber, Red. Amber, Green, Red.	Y
	The correct position of a motor cycle on the road is		Right of lane Left of lane Middle of lane.	Y
	The rider of a motor cycle has right to		Use of a full lane Overtake from any side as he or she wishes Weaving in and out where road space permits	Y
	A person riding a motorbike must wear		Mine helmet Any cap A crash helmet	Y
	When approaching this sign:		I should not worry because it is not one of the known road signs. I am being warned the hazard ahead is of a variable nature It is a surprise sign because you have just passed a hazard	Y
	Which car stops?		Car A Car B	Y

SECTION 5

	Which car is not breaking the law?		Car C Car A Car C Car B	Y
	This sign indicates?		Direction 4 way stop A near-complete round about ahead	Y
	Driving instructor is exempted from wearing a safety belt		When carrying learner drivers When conducting driving lessons Only when reversing	Y
	A learner driver is allowed to carry passengers		When he is in the company of qualified instructor If the passengers are learner drivers Never.	Y
	Which is the correct way to negotiate a right turn?		Maintaining a firm position in the lane centre Moving far to the right as possible within your lane Moving far to the left as possible within your lane	Y
	A double continuous white line with a broken line in the center of a road may:		Be crossed if the road ahead is clear Not be crossed	Y

Driving instructor is exempted from wearing a safety belt		When carrying learner drivers	
		When conducting driving lessons	Y
		Only when reversing	
A learner driver is allowed to carry passengers		When he is in the company of qualified instructor	
		If the passengers are learner drivers	
		Never	Y
Which is the correct way to negotiate a right turn?		Maintaining a firm position in the lane centre	
		Moving far to the right as possible within your lane	Y
		Moving far to the left as possible within your lane	
A double continuous white line with a broken line in the center of a road may:		Be crossed if the road ahead is clear	
		Not be crossed	Y
		Be crossed only on busy highways	
This road sign is		For information purposes only	Y
		Related to trucks only	
		Of regulatory effect	

This road sign is		For information purposes only	Y
		Related to trucks only	
		Of regulatory effect	
Which car goes last?		Car A	
		Car B	
		Car C	Y
This road sign means		Buses are being regulated	Y
		Buses are being warned	
		Buses are being informed	
In which circumstances would a driver proceed against a red robot?		Very late at night	
		When directed by a police officer	Y
		When there is a red filter arrow	
This road sign means		Overtaking prohibited	
		Heavy goods vehicles may not overtake	
		Heavy goods vehicles may not overtake another goods vehicle	Y
This road sign means		Overtaking prohibited	Y
		Overtaking by light vehicles prohibited	
		Light vehicles may not overtake one another	

To drive a public service vehicle one needs		Registration book, defensive driving certificate and 5yrs driving experience	
2.			
Which car stops?		Defensive driving certificate, 5yrs driving experience & medical certificate Defensive driving certificate, insurance and 5yrs driving experience	Y
		Car B	
		Car C	
		Car A	Y
Which car moves last at this intersection?		Car B	
		Car A	Y
		Car C	
Which car goes last?		Car C	Y
		Car B	
		Car A	
To drive an agricultural tractor in Zimbabwe, the minimum age required is:		Sixteen years	
		Nineteen years.	
		Eighteen years.	Y

		Car A	
To drive an agricultural tractor in Zimbabwe, the minimum age required is:		Sixteen years	
		Nineteen years.	
		Eighteen years.	Y
When changing lanes you		Signal, change lane, check blind spot	
		Signal, check blind spot, change lane	Y
		Change lane and signal after	
Hand signals should be used		By learner drivers only.	
		To emphasize the driver's intention	Y
3.			
		Only when turning right	
In Zimbabwe's Highway code the general rule is to		Overtake on the right	Y
		Overtake from between lanes if possible	
		Overtake from which ever side is safer	
The colours of an 'L-plate' are		White on red background	
		Red on yellow background	
		Red on white background	Y

At a four way junction which car goes first?	The car on the left	
	The car on the right	
	The first car to stop whether on the right or left	Y
A speed restriction sign means I may:	Do not exceed the stated speed	
	Exceed previous speed limit	Y
	Not exceed a speed of 130km/h	
When meeting a breakdown vehicle flashing its beacon lights I must:	Pull off the road completely	
	Keep to the extreme left and pass as fast as possible.	
	Proceed with caution	Y
When I intend to stop on the road I must:	Slow down check my rear view mirrors and stop.	
	Slow down, check mirror, indicate intention, pull off the road and stop	Y
	Flash my hazards and apply emergency brakes	
The position of a motor cyclist travelling on a highway in rural areas is	Extreme left of lane	
	Centre of lane	Y
	Extreme right of lane	
When approaching an animal drawn vehicle I must:	Blow my horn and pass	
	Slow down and pass on the safest side	Y
	Flash headlights and pass	

	Flash headlights and pass	
How many passengers are permitted to be carried by a motor cycle with a side car attached?	Two	Y
	One	
	Three	
You may overtake:	On a blind rise.	
	Where there is a continuous line and a broken line on your side	Y
	When there are two lanes going opposite directions.	
What should you remember when approaching a pedestrian crossing?	Maintain your speed at 60km/h	
	Prepare to stop regardless that there are no pedestrians.	Y
	Increase speed so that you pass quickly.	
A vehicle turning right should	Give way to oncoming traffic proceeding straight.	Y
	Give way to pedestrians leaving the pavement.	
	Give way to cyclists going straight ahead.	
A special medical certificate for public service vehicle drivers expires after:	Twelve months.	Y
	Eighteen months	
	Five years	
At the age of 17 years a person is allowed to drive	Light motor vehicles only.	Y

At the age of 17 years a person is allowed to drive		Light motor vehicles only Minibuses and light cars Both heavy and light provided he/she is a holder of a class two driving licence	Y
A tractor drivers permit is issued to a person who is aged:		18 and above before obtaining a licence Anyone as and when it is required.	Y

		Above 20 years who is not a holder of any licence	
A one way sign is:		A danger warning sign A parking sign A regulatory sign	Y
Hazard perception means:		Reading a traffic situation well in advance Following police instructions as may be necessary Obeying danger signs only.	Y
In well lit areas drivers are required to drive with		Headlights on low beam and spot lights off. Headlights on high beam and spot lights off. Headlights and stop lights off.	Y
A learner driver is exempted from wearing a safety belt		When being driven by an instructor When reversing When driving at a constant speed of 30km/h	Y
Relevant Section 44 reported states, when driving		Distance from the vehicle and correct V.I.D.	

Being the first at an accident scene, what are you expected to do?		Observe from far away and contact V.I.D. Render first aid and report to the nearest police. Take pictures which will assist your report to the police.	Y
At a give way sign		You give right of way to vehicles from your right Slow down and give right of way to all cross traffic. You stop and give right of way to all cross traffic.	Y

A dualised carriageway means		2 lanes in one direction 2 lanes in opposing directions with dividing strip Wide lanes	Y
How far from a corner am I prohibited from parking my vehicle?		7m 17.5m 7.5m	Y
When may one proceed against a one way sign?		In any emergency. Never When directed by police officer directing traffic.	Y
Which car goes last?		Car A Car C Car B	Y
Which car goes last?			

SECTION 7

Which car goes last?		Car C Car B Car A	Y
7 Which car goes last?		Car B Car A Car C Car D	Y
Which car goes last?		Car C Car B	

		Car B Car A	Y
When approaching this sign I should:		Disengage gears. Engage high gear. Engage a lower gear.	Y
When travelling behind another vehicle at night I must:		Switch on my spot lights and sidelights Switch on dipped headlights Switch on my full beam	Y
You may legally block an intersection:		When you enter the intersection on the green light During rush hour traffic Under no circumstances	Y

11:31 57%

← QUESTIONS.pdf

You may legally block an intersection:		When you enter the intersection on the green light During rush hour traffic Under no circumstances	Y
A transverse yield or stop line at a pedestrian crossing		Has same effect Has differing effect Is for confusing the learner driver	Y
At an uncontrolled intersection which car is breaking the law?		Car B Car C Car A	Y
Which of the following vehicles is not subject to carrying a fire extinguisher?		A motor vehicle which is not yet registered A public service vehicle which is not carrying passengers	

A motor vehicle towing two trailers should carry	A motor cycle	Y
	6 breakdown triangles	Y

A motor vehicle towing two trailers should carry		A motor cycle	Y
		8 breakdown triangles	Y
		3 breakdown triangles	
		2 breakdown triangles	
Breakdown triangles should be placed within		20 - 45 meters from the nearest point of the breakdown vehicle	Y
		30 - 50 meters from the nearest point of the breakdown vehicle	
		25 - 60 meters from the nearest point of the breakdown vehicle	
To drive a motor omnibus you must have reached the age of		Eighteen years	
		Twenty years and medically fit	Y
		Twenty-five years	
Which car moves first at this intersection?		Car A	
		Car C	Y
		Car B	
At this sign		Previous speed is cancelled	
		Stopping is prohibited	Y
		Speeding is restricted	
When traveling at 75 km/h I must leave a gap of		Four vehicle lengths	
		Seven vehicle lengths	
		Five vehicle lengths	Y

Which car stops?		Car C	
		Car A	Y
		Car B	
Which of the following vehicles does not need reverse gears?		A tractor towing two trailers	Y
		A motor cycle	
		A combine harvester in a field	
Which car is breaking the law?		Car A	
		Car C	
		Car B	Y
Into which grouping of road signs does this sign fall?		A location sign	
		A direction sign	Y
		3 way road sign	
This road sign		Is for warning	
		Is for information	Y
		Has a regulatory effect	
If involved in a serious accident I must		Report to hospital within the next 24 hours	
		Report to police within 48 hours	
		Report to police as soon as possible, or within 24 hours	Y
This sign indicates		Height restriction	

This sign indicates			Weight restriction	
			Speed restriction	
Seeing this sign, I would			Increase my speed if there is no congestion	
			Reduce speed	Y
			Park my car because the ground is wet	
How many classes of driver's licences do we have in Zimbabwe?			Five	Y
			Four	
			Six	
When driving at 120km/h your total stopping distance is?			80 meters	
			100 meters	
			130 meters	Y
The reaction distance at 60km/h is?			12.4 meters	
			5.6 meters	
			8.3 meters	Y
8 How many beer drinks should one consume before driving?			One	
			Two	
			None	Y
What do you do on hearing an ambulance			Move as fast as possible	

SECTION 8

What do you do on hearing an ambulance approaching sounding special warning device?			Move as fast as possible	
			Move out of its course and stop	Y
			Move slowly on the left side	
What time should persons driving on the road switch on their headlights?			Between 5:30pm and 6:30pm	Y
			Between 5:30am and 6:30pm	
			Any convenient time	
A pedal cyclist is allowed to carry a maximum weight of?			90kg	
			40kg	Y
			25kg	
When you are driving and feel sleepy, what must you do?			Maintain a slow speed	
			Move off the road and rest	Y
			Maintain a high speed	
At what speed must you approach a cross road, corner, bridge, sharp turn or steep descent?			40km/h	
			60km/h	
			Safe speed	Y
This sign indicates			Road narrows centrally	
			Road narrows to the right	
			Road narrows to the left	Y

This sign warns of		Side road ahead Narrow bridge ahead A grid ahead	Y
The maximum speed limit of heavy vehicles towing two trailers on wide turned road is?		80km/h 40km/h 120km/h	Y
Your steering wheel must not have more than of free play?		90 degrees 30 degrees 45 degrees	Y
Heavy vehicles should have the following reflectors		White in front and red at the rear White in front and amber at the rear White in front and red and yellow chevron pattern at the rear	Y
This sign means		One way to cyclists Cyclists to yield right of way Danger of cyclists ahead	Y
Which car goes first?		Car B Car A Car C	Y

Which car goes last?		Car C Car B Car A	Y
Which car has right of way?		Car B	Y
This traffic light regulates that		Traffic turning to the right may filter if the road is clear Traffic turning to the left may filter if the road is clear Traffic going straight may proceed if road is clear	Y
Which statement is true about double prohibition lines?		Can only be crossed if necessary These lines may be crossed if the vehicle in front of you is moving slowly Overtaking on this portion of the road is prohibited	Y
When approaching a rail-road level crossing, what must you do?		Increase speed Maintain speed Reduce speed and be ready to stop	Y
What is the maximum speed limit on wide fair roads?		There is no maximum speed limit 100km/h 80km/h	Y
Which car stops?		Either of the two	

What is the maximum speed limit on wide tar roads?		There is no maximum speed limit 100km/h 120km/h	Y
Which car stops?		Either of the two Car A Car B	Y
What is the general speed limit in an urban area?		40km/h 80km/h	
		60km/h	Y

		60km/h	Y
This sign regulates that		An about turn is prohibited A right turn strictly prohibited Previous U-turn permission cancelled	Y
Which car has right of way?		Car A Car B Either A or B as long as it is safe to do so	Y
What is the meaning of this sign?		Cyclist prohibited beyond the sign Motorists warned of presence of cyclist ahead Road reserved for cyclists only.	Y
This sign warns of		Children on road ahead Road works ahead	Y

		Pedestrian crossing ahead	
When stopping a motor vehicle on a road except in traffic, where will you stop?		On the extreme right of the road	Y
At what age are cyclists not allowed to carry passengers?		On the extreme left of the road or in an authorized parking place Stop in the middle if it is safe to do so	
		50 years	
		Over 18 years	
		Under 16 years	Y
Who is required to wear a crash helmet?			
		Cyclists only	
		Motor cyclists only	
		Both of the above	Y

This sign regulates that:		Vehicles should give right of way to cyclists	
		Cyclists should stop and give way to cross traffic	Y
		Stop and give way to cyclists from the right	
This sign regulates that:		Give right of way to motor cyclist	
		Motor cyclist prohibited	Y
		Motor cycles without a pillion seat prohibited	
The sign warns of:		Presence of wild animals crossing	Y
		Stray domestic animals crossing	
		All kinds of animals crossing	
The sign warns of:		Presence of people crossing the road ahead	
		Presence of friends crossing ahead	
		Presence of children ahead	Y
A driving school vehicle must have the following documents:		L-plates and driving instructor certificate	
		Certificate of fitness and comprehensive vehicle insurance	Y

		Car B	Y
What is the meaning of this sign?		Stadium ahead	Y
		Warning presence of athletes	
		Soccer match	
In an urban area, which car has the right of way?		Car A	
		Car B	Y
		The one which enters the intersection first	
Which is a possible sequence of a robot?		Green, Red, filter arrow	
		Red, filter arrow, Green, Amber	Y
		Amber, Green, Red, filter arrow	
This sign regulates that:		Vehicles should give right of way to cyclists	
		Cyclists should stop and give way to cross traffic	Y

Who is required to wear a crash helmet?	Cyclists only Motor cyclists only Both of the above	Y
The insignia of a detour ahead warning sign is inside a	A rectangle A triangle A circle	Y
Passengers disembarking from a bus should:	Wait until the bus takes off and then cross the road Cross the road from rear or front of the bus Cross from whichever side is safe	Y
When approaching a flooded bridge what do you do?	You can cross only when driving a heavy vehicle Do not attempt to cross Engage low gear and proceed slowly	Y
Which car goes first?	 Car A Car C Car B	Y
What is the meaning of this sign?	Stadium ahead	Y

SECTION 10

10	The sign warns of:		Cross road ahead Give way sign or stop sign ahead Rail and level crossing ahead.	Y
	A vehicle should be fitted with efficient reflectors of what colour?		White at the front and red at the back Amber at the front and red at the back White at the front and amber at the back	Y
	Which car moves second at this intersection?		Car A Car B Car C	Y
	Warning reflective 'T' plate signs are fitted on a		Towed trailer Towed broken down motor vehicle Drawing motor vehicle	Y
	This sign means		Bridge ahead Dual carriage free way begins here The road narrows ahead	Y
	This sign is a:		Sign of hard road ahead narrowing Flyover bridge ahead Sign that a single carriageway freeway begins here	Y
	This sign warns us of:		Rail level crossing ahead	

	When approaching this sign I would:		Be expected to check my vehicle Slow down and expect to be stopped Expect to see road works ahead	Y
	This sign warns us of:		Rail level crossing ahead Physical barrier ahead A grid ahead	Y
	This sign is a:		Danger warning sign. A regulatory sign An informative sign	Y
	When parked on such an incline:		Engage lower gear, apply handbrake Engage reverse, apply handbrake Engage high gear and turn steering wheel towards the curb	Y
	The lane you are travelling in suddenly ends, in the setup below:		Road has been temporarily narrowed to the left Road has been temporarily narrowed to the right Road has been temporarily narrowed to the centre	Y
	At this sign I should:		Slow down and proceed if there is no traffic Slow down and give way to cross traffic Stop and proceed when the road is clear on both sides.	Y

Which statement is true?		We have speed limit for gravel roads We have a clear legal driver's licence class for pedal cyclists Steering backlash not to exceed 12,5% of steering wheel circumference	Y
Which car moves FIRST at this intersection?		Car A Car C	
Which statement is not appropriate?		Car B Motor cycles are exempted from being fitted with a rear-view mirror All motor vehicles must be fitted with rear view mirror(s) Sun visors are mandatory for all motor vehicles	Y
This sign regulates that:		No stopping Hitch hiking allowed Hitch hiking prohibited	Y
The sign warns of:		Width restriction warning Width restriction of 15m Warns of length restriction of 15m	Y
This sign is:		Area reserved for disabled Lane reserved for disabled	

Who is exempted from wearing a seat belt?		Loose stones in road ahead Learner driver	Y
Which car goes first?		Driving instructor Ambulance driver during the course of work Car A Car B Car C	Y
At this sign I am:		Warned of accident ahead Warned of black spot ahead Warned of slippery road ahead	Y
Which statement is appropriate?		I may not wear a seatbelt where a vehicle has air bags I should pull down the sun visor when dazzled by headlights There is road signage to warn of possibility of congestion	Y
In an urban area, which car has NO right of way?		Car A The one which enters the intersection first Car B	Y
Which statement is true?		We have speed limit for gravel roads	

		Traffic light presence ahead Malfunctioning traffic light ahead	Y
Which car is NOT breaking the law assuming all vehicles are moving?		Car A Car C Car B	Y
What does this sign warn of?		Bad tarred road ahead Road markings faded in the road ahead Tarred road about to end and gravel road ahead	Y
When travelling in a bus:		You can dispose your litter through the window Dispose your litter under the seats Hold on to your litter until you can dispose of it properly.	Y
When stopping a motor vehicle on a road except in traffic, where will you stop?		On the extreme right of the road Stop in the middle if it is safe to do so On the extreme left of the road or in an authorized parking place	Y
This sign warns of:		Danger to the right rear wheel Water pools in road ahead Loose stones in road ahead	Y

This sign is:		Seat reserved for disabled Lane reserved for disabled Parking for vehicles of disabled	Y
Holding a class 4 & 5 driver's licence means I am qualified to drive:		Agricultural tractor and small car Small car and coupe imp Small car and vintage vehicles	Y
This sign indicates that:		Buses may reverse Lane reserved for buses Buses keep right	Y
Which statement is true with regard to overtaking?		You must overtake if visibility is bad You must not overtake in the face of oncoming traffic You are prohibited from overtaking at night	Y
This sign regulates that:		Cutting corners prohibited Left turn not allowed Sharp curve no longer applies	Y
Which rule is not true for motor cyclists?		Avoid towing or being towed Sit only on the saddle of your cycle	

A car sun visor provides a shield against:		Both cars Sun glare Street lights Rain	Y
In which of the following situations should you never overtake cyclists?		When approaching right hand bend Immediately before making a left turn On approach to a round about	Y
When in a straight ahead lane at an intersection I am not allowed to:		Turn without indicating Turn at all Turn without checking blind spots Turn without requesting	Y
On approaching a narrow bridge I am allowed to:		Flash my lights even for oncoming vehicles Overtake slow moving vehicles Slow down and proceed with caution.	Y
A speed restriction sign means:		Do not exceed the stated speed Drive below the stated speed Watch out for the police	Y
When I intend to stop on the road I must:		Check blind spots and brake hard Flash my hazard lights	

		A person pushing a wheelbarrow is a motorist	Y
		All motorists must be courteous to the old, disabled and children when using the roads	
In rural areas where traffic is not controlled, I should give precedence to:		Traffic approaching from the road on the left	
		Traffic approaching from the road on the right	
		Traffic already in the intersection regardless of which side it is coming from.	Y
During rainy weather		Make sure a vehicle is fitted with good tyres	Y
		Good hand brake is important	
		Internal lights need to be functioning properly	
When approaching a narrow bridge, I must pay attention to:		Height restriction	
		Length restriction	
		Width restriction	Y
Whilst driving when do you take a mobile phone call?		Once you have stopped in a legally permitted place	Y
		Whilst travelling in rural areas which do not have much traffic	
		If you are confident that your ability will not be compromised by the distraction	
Which car stops?		Car B	Y
		Car A	
Which car is breaking the law if both are moving?		Car B	
		Car C	Y

SECTION 21

	Which rule is not true for pedal cyclists?	Avoid towing or being towed	
		Sit only on the saddle of your cycle	
		Never worry about keeping both feet on the pedal	Y
	Warning reflective 'V' plates sign are fitted on a	Towed trailer	Y
		Towed broken down motor vehicle	
		Drawing motor vehicle	
21	Which statement is not true?	All road tests in Zimbabwe are strictly with manual vehicle	Y
		Heavy vehicles must have a net mass of 5000kg and above for road test purpose	
		Dual footbrake pedals may be required for driving school vehicles	
	When approaching a give way sign:	I am obliged to stop before proceeding	
		I am obliged to give way to traffic approaching the intersection on my right only	
		I may proceed with caution and without stopping provided there is no other	Y
	Which statement is true?	Pedestrians enjoy right of way only at a pedestrian crossing	
		A person pushing a wheelbarrow is a motorist	
		All motorists must be courteous to the old, disabled and children when using the roads	Y
		Traffic approaching from the road on the left	

SECTION 22

22	When driving a motor vehicle at 05:00am the vehicle must have its headlights lit.	Yes No Depends on day light	Y
	In a traffic circle, I shall indicate	When going out When going in When making a 'U' turn	Y
	A vehicle turning right should	Give way to window shopping pedestrians Give way to oncoming traffic Give way to pedestrians standing on the pavement.	Y
	What is the legal maximum speed on a Zimbabwean highway?	120km/h for all vehicles Between 80 and 120 km/h on all roads 120km/h for light vehicles and 90km/h for heavy vehicles	Y
	When you are temporarily parked by the side of the road at night, you are to leave	Your headlights on bright beam Your tail lights and side lights on. Your headlamps on low beam	Y
	When approaching an animal drawn vehicle	You blow your horn and pass quickly You flash your headlamps You slow down and pass through the safer side	Y
	You may overtake	On a blind rise.	

		Slow down, check the rear view mirror, pull off the road and stop	Y
	At a rail level crossing with open boom a heavy vehicle driver should	Quickly cross the railway Stop, look both sides and cross when safe Stop and look to the right	Y
	The purpose of the parking brake is to	Keep the vehicle stationary Keep the vehicle stationary on a gradient only Slow the vehicle down	Y
	At a pedestrian crossing every driver must	Wave the pedestrians through Hoot when it is his turn to go Wait patiently and proceed when appropriate	Y
	Fog lights are to be used	In dusty areas only In heavy mist At night	Y
	A 'one way' sign is a	Warning sign Danger sign Command sign	Y
	All vehicles shall have	Red reflectors in front White reflectors in front Either red or white reflectors in front	Y

If involved in a serious accident, I must:		Report to the police within 24 hours Report to a hospital or fire brigade Report to the police within 48 hours	Y
Which car stops?		Car A Car B Car C	Y
Which car moves last at this intersection?		Car C Car B Car A	Y
Which car goes last?		Car C Car B Car A	Y
A clutch is used to:		Increase vehicle speed Decrease vehicle speed Avoid noise when gear changing.	Y
Diverging lanes means		Two lanes becoming one One lane becoming two A road off a roundabout	Y
Hazard perception means		Following directions of police officers	

Vehicle pre-driving checks include		Gears and speed have nothing to do with fuel consumption Checking rear view mirrors are properly adjusted Checking underneath and around the vehicle for animals and children Making sure we have carried the registration book	Y
Which car(s) has/have the right of way in this traffic circle?		Car A only Car B only Both Car A and B	Y
What must be avoided when raining?		Driving at high speed Reducing speed Switching on wipers	Y
In which circumstances would I proceed against a red robot?		When there is no approaching traffic When the road is clear on the right When the green arrow is illuminated	Y
A broken yellow line on the left hand side of the road indicates		It may be straddled to overtake traffic which is turning right It may be straddled to overtake cyclists It may not be straddled	Y
A motor vehicle may tow		Any number of trailers A vehicle of any size if it is stable A vehicle only if it has good brakes	Y

		When there is a continuous white line	
		When there are two or more lanes going in the same direction	T
You may drive without a safety belt		When you are driving slowly	
		When reversing	T
		When you are driving very fast	
The hazard is used		To greet friends	
		In an emergency only	T
		When there are animals in the road	
The sign indicates		Rainy weather ahead	
		Rainy area ahead	
		Reduced visibility in the road ahead	T
When facing a red robot with an illuminated straight ahead Green arrow, I may		Proceed straight ahead	T
		Turn right should I wish	
		Not proceed	
We use heavy gears when		Going uphill	T
		In muddy area only	
		Starting from rest only	
Which is not true if we need to save on fuel?		Avoid heavy gears	
		Avoid very high speeds	

Labeling on abnormal load vehicle reads:	Abnormal vehicle Abnormal load Abnormal size vehicle	Y
Abnormal load vehicles	Must have escort May not have escort Must have red flash beacon light	Y
You are waiting behind a cyclist at a traffic light. When it changes, you should:	BEEP your horn as you drive through before the cyclist does Try to move before the cyclist does Allow cyclist room and time to move	Y
The reaction distance increases because of:	Old age Engine speed Spongy brakes	Y
When approaching a traffic light that has been green for long	Accelerate quickly Maintain your speed Be prepared to stop	Y
When should a cellphone be used during driving:	In an emergency When traffic density is low Never	Y
This sign warns of:	 Dual carriageway ahead	

	Drive past slowly and give them plenty of room	Y
When towing caravan trailers safest mirrors to use are?	Extended arm side mirrors Interior wide angle mirrors Ordinary mirrors	Y
When overtaking a bike rider in windy weather give more room because:	He may accelerate He can be blown off course He may not see you	Y
To facilitate easy movement going uphill you have to:	Select lower gear Select highest gear Accelerate	Y
Engine braking effect is felt when you:	Select low gear Select neutral You apply your handbrake	Y
When going down a long descent, keeping clutch down too long can cause:	More fuel consumption Brake overheating Car can lose control	Y
This sign indicates:	 Portion of road is set aside for pedestrians and pedal cyclists Portion of road set aside for motor cyclists and pedestrians Pedal cyclists and pedestrians should yield right of way	Y

SECTION 23

		Obeying traffic signals	
		Reading a traffic situation in advance	Y
When you see a rabbit crossing the road in the rural areas, you:		Increase speed to run it over	
		Reduce speed and stop when necessary	Y
		Flash your headlights and honk	
A weight restriction is usually associated with		Bridges capacity on weight	Y
		Wet roads capacity on speed	
		Strip roads	
A blind spot on a road is a part of the road		Directly in front of where the vehicle is moving forwards	
		Not covered by rear view mirror	Y
		Where visibility is poor due to mist	
23 When a vehicle starts skidding, I should:		Brake harder	
		Increase speed	
		Release brakes	Y
You are going to reverse but you are not sure the area is clear. You should:		Assume it is clear and reverse anyway	
		Check only the rear view mirrors	
		Get out of the car and check	Y
You come across stray animals on the road. You:		Flash your headlights when passing	
		Sound horn to alert them	

What is the maximum speed limit on wide car roads?		There is no maximum speed limit	
		100km/h	
		120km/h	Y
Which car stops?		Either of the two	
		Car A	
		Car B	Y
What is the general speed limit in an urban area?		40km/h	
		50km/h	
		60km/h	Y
This sign regulates that:		An about turn is prohibited	Y
		Roundabout ahead	
		Vehicles allowed to turn to the right only	
When approaching this sign I should:		Disengage gears	
		Engage high gear	
		Engage lower gear	Y
When traveling behind another vehicle at night I must:		Switch on my spot lights and sidelights	
		Switch on dipped headlights	Y
		Switch on my full beam	
Which is the correct robot light sequence?		Amber, Red, Green	Y

When stopping a motor vehicle on a road except in traffic, where will you stop?		Observed from afar and phone the roads department On the extreme right of the road	
		Stop in the middle if it is safe to do so	Y
When following a heavy but body goods vehicle, about following closely do as:		On the extreme left of the road or in an authorized parking place To avoid driven rear	Y
		To be seen by crossing animals	Y
to move forward from behind a parked vehicle?		To allow safe overtaking and to be visible	Y
		Apply signal	Y
		Use all the mirrors, exercise caution and drive left, just check your blind spot	Y
24 This traffic light requires that:		Traffic turning to the right may filter if the road is clear Traffic turning to the left may filter if the road is clear Traffic going straight may proceed if road is clear	Y
Which statement is true about Double Prohibition areas?		No vehicle may at anytime be driven on the left hand side of this line Can not be crossed at anytime	Y
When approaching a level crossing, what must you do?		No vehicle may at anytime be driven on the right hand side of this line Increase speed Reduce speed and be ready to stop Maintain speed	Y

		Two way carriageway One way street	Y
Other meaning a breakdown vehicle flashing its beacon light every driver must:		Put off the road completely Swing to the extreme left and pass as fast as possible Slow down and proceed with caution	Y
How many passengers are allowed to be carried in a vehicle being driven by a learner driver?		Two The instructor and one other No passengers	Y
What should be remembered when approaching a pedestrian crossing?		Maintain constant speed Pay special attention to pedestrians Increase speed	Y
At the age of 17 years a person can drive motor vehicle classes of:		Heavy vehicles Light motor vehicles Agricultural tractors	Y
At night, in well lit areas, drivers should drive with:		Headlamps on high beam Spot lights on Headlamps on low beam	Y
An accident has just happened, you being the first at the scene, what are you expected to do?		Render first aid and drive away Render first aid and report to the nearest police	Y

		Red, Amber, Green Green, Red, Amber	
A continuous white line in the centre of the road		May cross if there is no oncoming traffic May be crossed in a rural area and game parks. May not be crossed under any circumstances.	Y
At this intersection which car would be breaking the law?		Car B Car C Car A	Y
Which of the following vehicles is not subject to carrying a fire extinguisher?		A pedal cycle A motor vehicle which is not yet registered A public service vehicle which is not carrying passengers	Y
A motor vehicle towing two trailers should carry:		3 breakdown triangles 2 breakdown triangles	
Breakdown triangles should be placed within:		20 - 45 meters from the nearest point of the breakdown vehicle 30 - 50 meters from the nearest point of the breakdown vehicle 25 - 60 meters from the nearest point of the breakdown vehicle Twenty years and medically fit Twenty-five years and medically fit	Y
To drive a Taxisab you must have reached at least the age of:			

		Car C Car C Car B Car A	Y
Which car goes last?			
A clutch is used to:		Increase vehicle speed Decrease vehicle speed Avoid noise when gear changing.	Y
Converging lanes means:		Two lanes becoming one One lane becoming two A road off a roundabout	Y
Hazard perception means:		Following directions of police officers Obeying traffic signals Reading a traffic situation in advance	Y
When you see an animal in the road you:		Increase speed to run it over Reduce speed and stop when necessary Flash your headlights and hoot	Y
What is the incorrect sequence of a robot?		Green, Red, Amber Amber, Red, Green Red, Green, Amber	Y

		A pile up accident	
		Possibility of congestion on road ahead	Y
In case of a rear wheel tyre burst, I		Apply foot brakes immediately	
		Avoid braking completely and control the steering wheel	Y
		Do whatever comes to mind	
What are the colours of a private vehicle registration plates?		Red on white background	
		Black on white background	
		Black on yellow background	Y
When traveling at high speed on a main road, I signal		at least 50m before I turn	
		at least 100m before I turn	Y
		at least 7.5m before I turn	
Direction arrows used in conjunction with prohibition lines on a road surface		Are for information purposes only	
		Relate to taxi drivers only	
		Have a regulatory effect	Y
Which car stops?		Car A	Y
		Car B	
		Car C	
Which car moves last at this intersection?		Car A	Y
		Car B	

[illegible]

Which car moves SECOND at the intersection?		Twenty-one years and medically fit	Y
	Car A		Y
	Car C		
	Car B		
At a motor controlled intersection where you have stopped and a pedestrian crossing times, do you:	Reverse the vehicle		
	Stay where you are		Y
	Decide to carry on in order not to obstruct		
When temporarily parked by the side of the road at night, one must leave:	Your headlights on high beam		
	Your tail lights and side lights on.		Y
	Your headlights on low beam		
When approaching an animal drawn vehicle	You take your foot and pass quickly		
	You flash your headlights		
	You slow down and pass through the water side		Y
You may overtake:	On a blind rise		
	When there is a continuous white line		
	When there are two or more lanes going in the same direction		Y
You may drive without a safety belt:	When you are driving slowly		
	When reversing		Y
	When you are driving very fast		

In an urban area, which car has the right of way?		Car A Car B The one which enters the intersection first	Y
Animal drawn vehicles must always have		Proper working headlights Working tail lights Reins and a leader	Y
When stopping a motor vehicle on a road except in traffic, where will you stop?		On the extreme right of the road Stop in the middle if it is safe to do so On the extreme left of the road or in an authorised parking place	Y
How far from a corner are you forbidden to stop your vehicle?		7m 7.5m 10m	Y
When under the influence of drugs or alcohol what must you do?		Drive slowly to a safe place Stay off the road Drive on the extreme left of the road	Y
The insignia of a command sign is:		A triangle A rectangle A circle	Y
On which side must you overtake animals which are being led?		Left hand side	

Which car goes last?		Car B Car A Car C	Y
Which car goes last?		Car C Car B Car A	Y
What must you do before you change direction?		Signal my intention when turning left only Signal my intention when turning right only Signal my intention before acting and see that the road is clear before changing direction	Y
This sign regulates:		Time restriction Speed restriction Weight restriction	Y
This sign regulates that:		Vehicles should give precedence to traffic oncoming from the road on the right Vehicles should give precedence to traffic coming from the left Vehicles should give precedence to all cross traffic	Y
When travelling at 75km/h I must leave a gap of:		Four vehicle lengths Seven vehicle lengths Five vehicle lengths	Y
Which car goes last?		Car C	

		Increase your speed	
When you are driving and feel sleepy, what must you do?		Maintain a slow speed	
		Move off the road and rest	Y
		Maintain a high speed	
All vehicles shall have:		Red reflectors in front	
		White reflectors in front	Y
		Either red or white reflectors in front	
The law says when driving a motor vehicle at 6.00am the vehicle must have its headlights lit:		Yes	Y
		No	
		Depends on day light	
In a traffic circle, I shall indicate:		When going out	Y
		When going in	
		When making a 'U' turn	
A vehicle turning right should		Give way to window shopping pedestrians	
		Give way to oncoming traffic	Y
		Give way to pedestrians standing on the pavement	
What is the legal maximum speed on a Zimbabwean Highway?		120km/h for all vehicles	
		Between 80 and 120 km/h on all roads	
		120km/h for light vehicles and 80km/h for heavy vehicles	Y

		Right hand side	
		Whichever side is safe	Y
What are the directions given by fixed or flashing amber robot at an intersection?		Give precedence to all cross traffic	
		Give precedence to all vehicles coming from the right	Y
		Give precedence to vehicles coming from the left	
Which car goes first?		Car A	
		Car B	Y
		Car C	
26 When traveling at 60km/h, what distance should you leave between your vehicle and the vehicle in front?		8 vehicle lengths	
		5 vehicle lengths	
		4 vehicle lengths	Y
When a fire engine, ambulance or police vehicle approaches sounding its special warning device, what		Move as fast as possible	
		Move out of its course and stop	Y
		Move slowly on the left side	
What time should persons driving on the road switch on their headlights?		Between 5:30pm and 6:30am	Y
		Between 5:30am and 6:30pm	
		Any convenient time	
If you are dazzled by the light of other vehicle, what must you do?		Dip, get out of the way and slow down	Y
		Retaliate	

At a rail level crossing with open booms a driver should		Slow down, check the rear view mirror and stop. Quickly cross the railway	Y
The purpose of the parking brake is to		Look both sides and cross Stop and look to the right	Y
		Keep the vehicle stationary	Y
		Keep the vehicle stationary on a gradient only Slow the vehicle down	
At a pedestrian cross every driver must		Wave the pedestrians through Hoot when it is his turn to go	
		Wait patiently and proceed when appropriate	Y

Which car goes last?		Five vehicle lengths Car C	Y
Which car gives right of way?		Car A Car B	Y
		Car A Car C Car B	Y
		Turn without indicating Turn at all	Y
		Turn without requesting Turn without checking blind spots	
At a bridge, I am not allowed to:		Overtake slow moving vehicles Slow down and check the road ahead Dip my lights even for oncoming vehicles	Y
A speed restriction sign means:		Do not exceed the stated speed Drive below the stated speed Do not exceed the stated speed	Y
When I intend to stop on the road I must:		Flash my hazard lights
